How long would it take to gather this information for the one location for four months? I will let him know that we are working on it.

Hi Elena,

Hope you've been hanging in there.

I need some info about encampment clean ups. Can you tell me the number—and dates—of all clean ups that BOS did at the Gower/101 encampment in January and February 2020, and the same information for May and June 2020. This would include CARE clean ups, trash pick ups, etc. Please specify the type of clean up on each date.

Call if you have any questions.

Regards,

Joel
